Subject: [EXTERNAL] TOPMed BP ML PRS draft: review by August 25

Dear all,

We are happy to share the manuscript draft "Machine learning models for blood pressure phenotypes combining multiple polygenic risk scores" for your review.

Please send us edits, comments and, if you don't have any, just your approval for the manuscript, by August 25.

Also, please:
- check your affiliation,
- verify your mention in the author contribution statement,
- if you have any competing interests, please write them in "Conflict of interests" statement,
- and check your study description, acknowledgments, funding, etc., in the supplementary materials file.

Thank you,
Tamar, Yana, and Ben
