That's correct. It has already been approved by CHS P&P. -Jen

Anne,

This looks great. I believe that Jen already submitted to CHS Publications. I am copying her to verify. One COI reads, "BMPs serve on the TOPMed Steering Committee." I am not sure TOPmed SC is a conflict. Mine should read: "Psaty serves on the Steering Committee of the Yale Open Data Access Project funded by Johnson & Johnson."

Thanks for your leadership and the opportunity to participate.
