As far as CHS goes, please go ahead and submit to TOPMed.

For the the P&P I got a request to also add this disclaimer to the bottom of the CHS acknowledgements. Can you do that and return it to me? They also said I was missing a grant number, but I am pretty sure I am not, so am waiting on their response/clarification. Was waiting on that before asking you to make this change, but can resubmit with this addition before hearing back to expedite.

Thanks!
