Subject: Re: TOPMed Manuscript Study-Specific Approval for OMG_SCD

Dear Allison,

The main ask is for the approval of the manuscript for the ACC.

I know you have seen the manuscript and you are also a co author on the paper together with Marilyn J. Telen.

So I think its all good, just paperwork.

Thanks

Fritz

Hi Fritz—

I'm not entirely sure what is being asked. Is it to review the manuscript, provide a set of authors, or something else?

If you can clarify for us, we will address it.

Thanks so much—

Allison

Subject: TOPMed Manuscript Study-Specific Approval for OMG_SCD

Good Afternoon, Drs. Ashley-Koch and Telen.

I am reaching out to you on behalf of the TOPMed ACC Publications Team to confirm [study-specific approval](#) for Dr. Fritz Sedlazeck's manuscript "[Structural variation across 138,134 samples in the TOPMed consortium](#)" using the OMG_SCD data. This manuscript has TOPMed Structural Variation Working Group Approval (see attached) and formal approval to use OMG_SCD data (proposal #[12856](#)).

I will attach this email to Dr. Sedlazeck's TOPMed manuscript submission. He is cc'd on this email should you have any follow-up questions.

Best,

Ashley Smith on behalf of the TOPMed ACC Publications Team

Ashley S. Smith, MPH, MLT(ASCP)
