Department of Biostatistics  
1700 NE Pacific Street  
Seattle, WA

Dear Dr. Stilp,

The Jackson Heart Study (JHS) Publications and Presentations Subcommittee (PPS) thank you for your manuscript proposal titled “Phenotype harmonization of retrospectively-collected data in the NHLBI Trans-Omics for Precision Medicine (TOPMed) programs”. The sequential number P1309 has been assigned to this proposal, so please reference this number should you have to inquire about this proposal. The PPS vote regarding your proposal was to “**accept as is**”. You may now begin to develop the proposed manuscript.

The following **acknowledgement** and **disclaimer** must be included in your final manuscript:

**JHS acknowledgement.** The Jackson Heart Study (JHS) is supported and conducted in collaboration with Jackson State University (HHSN268201800013I), Tougaloo College (HHSN268201800014I), the Mississippi State Department of Health (HHSN268201800015I) and the University of Mississippi Medical Center (HHSN268201800010I, HHSN268201800011I and HHSN268201800012I) contracts from the National Heart, Lung, and Blood Institute (NHLBI) and the National Institute for Minority Health and Health Disparities (NIMHD). The authors also wish to thank the staffs and participants of the JHS.

**JHS disclaimer.** The views expressed in this manuscript are those of the authors and do not necessarily represent the views of the National Heart, Lung, and Blood Institute; the National Institutes of Health; or the U.S. Department of Health and Human Services

We look forward to your final product.

Sincerely,

Adolfo Correa, MD, MPH, PhD  
Chair, Publications and Presentations Subcommittee
